CRC3200 CRC Anti-Corrosion Light Dry Film 300GM - Aerosol

## Features

Product Multiple

1

Light Dry Film Corrosion Inhibitor

Superior light, dry film corrosion inhibitor that creeps quickly to cover exposed metal surfaces, drive out moisture and leave an ultra thin film that protects metal against corrosion for up to one year indoors

Anti-Corrosion Light Dry Film is a thin film that repels dust and dirt to keep stored parts and equipment clean, and it will not run or puddle during storage

Highly effective in humid conditions or after floods

Tools and equipment coated with Anti-Corrosion Light Dry Film can be handled or used without removing the film

## Specifications
